7. Access Management Criteria (In case of a conflict with the provisions of other ordinances or regulations, the most strict provisions shall apply):								
(a) All Arterials and Major Collectors Full movement access to an arterial or major collector shall not be permitted closer than 330 feet to another full movement access point, nor within 660 feet of a signalized intersection. Right-in/right-out access to an arterial or major collector shall not be permitted closer than 330 feet to another access point, nor within 100 feet of a signalized intersection, except properties with sole access to an arterial or major collector are permitted no less than one right-in/right-out access point. Properties with 660 feet or more of arterial and major collector frontage may be permitted multiple accesses to a single street based upon a traffic safety and capacity evaluation. All development fronting on an arterial or major collector shall record a joint access and cross easement benefiting adjoining properties fronting on the same arterial or major collector.								
(b) Minor Collectors Full movement access to a minor collector shall not be permitted closer than 200 feet to another full movement access point, nor within 400 feet of a signalized intersection. Right-in/right-out access to a minor collector shall not be permitted closer than 100 feet to another access point, nor within 200 feet of a signalized intersection, except properties with sole access to a minor collector are permitted no less than one right-in/right-out access.								
(c) Local Streets Full movement access to a local street shall not be permitted within 200 feet of a signalized intersection. Right-in/right-out access to a local street shall not be permitted closer than 100 feet to another access point or intersecting public street, nor within 200 feet of a signalized intersection, except properties with sole access to a local street are permitted no less than one access point, which may be limited to right-in/right-out based upon a traffic safety evaluation.								

GENERAL NOTES:

1. Refer to the Environmental Management Act (EMA) for information pertaining to the regulation of environmental features (preservation/conservation features), stormwater management requirements, etc.
2. Refer to the Concurrency Management Ordinance for information pertaining to the availability of capacity for certain public facilities (roads, parks, etc.).

DEVELOPMENT STANDARDS (continued from page 3 of 3)

7. **Street Vehicular Access Restrictions:** Properties in the Woodville Commercial zoning district may have vehicular access to any type of street. However, in order to protect residential areas and neighborhoods from non-residential traffic, vehicular access to a local street is prohibited if one of the following zoning districts is located on the other side of the local street: R, RA, R-1, R-5, MH, and RP.
9. **Landscape Standards:**
Development within the Woodville Commercial zoning district shall be subject to the landscape requirements of this Section in addition to those requirements of the Environmental Management Act (EMA). Where standards conflict, the stricter of the two shall apply. All landscape plans shall be prepared by a registered landscape architect as per Section 481 of the Florida Statutes.
- Arterial Road Landscaping:** All properties fronting arterial roads shall provide and maintain a thirty (30) foot wide landscape area immediately adjoining the arterial road. All vegetation within the thirty (30) foot wide landscaped area of good condition 4 (four) inches and larger shall be preserved. This landscape area shall be planted with canopy trees with no less than 1 tree for each 200 square feet of landscape area. Creative design and spacing is encouraged. The landscaped area may be crossed by driveways permitted pursuant to Section 8 above, but compensatory area shall be added, equal to the area of the driveway, adjacent to the required landscape area. Sidewalks are not permitted within the landscaped area except for interconnections to sidewalks fronting public roadways. Signs may be located within the landscape area, but shall not reduce the tree planting requirement. Existing healthy trees in the landscape area may be counted as prescribed in Section 10-264(b) toward meeting the tree planting requirement. Management of the existing trees within the 30 (thirty) feet shall include pruning of dead and hazardous tree limbs, pruning of live limbs less than 25% of the green mass of the tree, fertilization, pest control, and control of invasive vegetation. Mechanical methods which compact the earth or root systems shall not be allowed.
10. **Parking Standards:**
(a) Properties fronting an arterial road shall be allowed to construct 50 percent of all parking required by the Land Development Code in front of the proposed building/structure and/or adjacent to a public roadway. Additional parking above code requirements shall be located to a side or rear of the proposed building/structure that is not fronting a public or private roadway or access way.
(b) Properties fronting a collector or local road shall be allowed to construct a single parking aisle between the proposed building and the collector and/or local road.
11. **Lighting Standards:**
(a) All exterior lighting shall have recessed bulbs and filters which conceal the source of illumination. No wall or roof mounted flood or spot lights used as general grounds lighting are permitted. Security lighting is permitted.
(b) Lighting for off-street walkways shall be spaced no more than thirty (30) feet apart, and shall not exceed ten (10) feet in height.
(c) Parking lighting shall be spaced a maximum of fifty (50) feet apart and shall not exceed twenty (20) feet in height.
(d) Lighting levels at the property line (six feet above ground) adjacent to residential areas shall not exceed .5 foot-candles.
12. **Design Standards:**
(a) All buildings shall screen trash collection/storage areas with materials found on the exterior of the building.
(b) All delivery truck docks shall provide a screen of sufficient height and length to screen loading and unloading trucks.
(c) Communication towers and antenna support structures are prohibited, except those complying with the standards of Section 10-1115 (a)(4).

GENERAL NOTES:

1. Refer to the Environmental Management Act (EMA) for information pertaining to the regulation of environmental features (preservation/conservation features), stormwater management requirements, etc.
2. Refer to the Concurrency Management Ordinance for information pertaining to the availability of capacity for certain public facilities (roads, parks, etc.).

Section 11. That Section 10-1478, Type A review, of Division 4 of Article X1 of Chapter 10, "Land Development Code," of the Code of Laws of Leon County, Florida, is amended as follows:

2. *Properties in the OR-1, OR-2, and C-1, BC-1, BC-2, BCS, BOR, Urban Fringe, Lake Talquin Urban Fringe, ~~or Rural~~, or Woodville Commercial Zoning Districts:*

- (a) *Residential site and development plans:* Proposed residential site and development plans containing 20 or fewer residential dwelling units.
(b) *Non-residential site and development plans:* Proposed non-residential site and development plans containing 10,000 or less gross building square footage.

Section 12. That Section 10-1479, Type B review, of Division 4 of Article X1 of Chapter 10, "Land Development Code," of the Code of Laws of Leon County, Florida, is amended as follows:

2. *Properties in the Mixed Use A OR-1, OR-2, and C-1, Urban Fringe, Lake Talquin Urban Fringe, or Rural, or Woodville Commercial Zoning Districts:*

(b) *Non-residential site and development plans:* Proposed non-residential site and development plans containing 10,000 to 149,999 gross building square footage.

Section 13. That Section 10-1479.1, Type C review, of Division 4 of Article X1 of Chapter 10, "Land Development Code," of the Code of Laws of Leon County, Florida, is amended as follows:

2. *Properties in the OR-1, OR-2, C-1, BC-1, BC-2, BCS, BOR, Urban Fringe, Lake Talquin Urban Fringe, ~~or Rural~~, or Woodville Commercial Zoning Districts:*

- (c) *Residential site and development plans:* Proposed residential site and development plans containing 150 or more residential dwelling units.
(d) *Non-residential site and development plans:* Proposed non-residential site and development plans containing 150,000 or more gross building square footage.

Section 14. Conflicts.

All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed to the extent of such conflict, as of the effective date of this ordinance, except to the extent of any conflicts with the Tallahassee-Leon County Comprehensive Plan as amended, which provisions shall prevail over any parts of this ordinance which are inconsistent, wither in whole or in part, with the said Comprehensive Plan. Any provisions that are otherwise repealed by this ordinance shall nonetheless continue to apply to those applications on file and being reviewed by the county as of the effective date of this ordinance, pursuant to Section 3.

Section 15. Severability.

If any portion of this ordinance is held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed as a separate, distinct, and independent provisions and such hold shall not effect the validity of the remaining portion of the ordinance.

Section 16. Effective Date.

This ordinance shall become effective on August 1, 2003.

Duly passed and adopted by the Board of County Commissioners of Leon County, Florida, this day of , 2003.
